International Patent Application No. PCT/EP2004/011979
Applicant: Borealis Technology Oy

To the International Patent Application PCT/EP2004/011979 as filed on
October 22, 2004.

It is kindly requested that Mr.

Detlef Wald
Jan van Gentstraat 29
BE-2000 Antwerpen
Belgium

be added to the list of inventors and registered as applicant for the United
States.

As can be seen from the priority application EP 03 024 371.1 of the above
PCT-application, Mr. Detlef Wald had been registered subsequently as
inventor and has, merely due to a clerical error, not been cited in the PCT-
request. Therefore, amendment of this obvious error and incorporation of Mr.
Detlef Wald as inventor and applicant for the United States is again
requested.
